

An open book with a wooden cover is the central focus, lying flat on a light brown surface. On top of the book, several white paper cutouts are arranged to create a miniature scene. In the center, a simple house with a chimney stands between two stylized trees. To the right, a bicycle is positioned as if riding across the pages, with two more trees floating above it. On the far right, a small cluster of dandelions is visible. The background is a soft, out-of-focus bokeh of various colors including yellow, orange, red, blue, and pink, creating a warm and vibrant atmosphere.
